## Why Participate?

Learn: Have you been curious about what agricultural resource lands and rural lands are? Are you wondering why a countywide study is being conducted before the county considers any comprehensive plan and zoning map changes? Join us to learn more and hear about how this study can inform future land use and zoning.

## Douglas County Agricultural Resource Lands Study – Informational Open House Flyer

Engage: Share any questions you may have with County staff and other professionals to be well informed on the study.

### How to Stay Involved:

Click [here](#) to find project updates, view schedules, and access materials that will be posted periodically on this webpage.
